ATTENDANCE

Membership

#	Question (as displayed in the app)	Question Assistant	How This Helps
1	Total # of members as of 12/31/2024	<p>This is the number of members you had at the end of 2024</p> <p>The application will automatically load this number from last year annual report. If you are writing on paper, please enter the number.</p> <p>*Developing churches do not have membership, only adherents.</p>	<p>Membership figures help determine the number of people committed to the mission of the local church.</p>
2	# of members who left the church in 2025	<p>Enter the number of people who were removed from the membership list at your church during the last year.</p> <p>If your church did not lose any members this year, enter 0.</p> <p>*Developing churches do not have membership, only adherents.</p>	<p>There are many reasons why members may be removed, so this number needs to be understood in context.</p> <p>Still, it does help gauge the overall growth and health of the church.</p>
3	#of new members who joined the church in 2025	<p>Enter the number of people who became members of your church during the last year.</p> <p>If your church did not add any members this year, enter 0.</p> <p>*Developing churches do not have membership, only adherents.</p>	<p>One measurement of the effectiveness of ministry is the ability of the church to involve people in its ministries.</p> <p>Membership is a measurement of ownership!</p>
4	Total # of members as of 12/31/2025	<p>The application will calculate this number automatically.</p> <p>If you are manually writing on paper, use this formula = Members 2024-Members Removed in 2025+ Members Added in 2025</p>	<p>Membership figures help determine the number of people committed to the mission of the local church.</p>

5	# of people who attend your church regularly other than members	Enter the number of people who regularly attend your church but have not become members. Include children, youth, and adults. If your church does not have any adherents, enter 0. *Developing churches do not have membership, only adherents.	
6	Total # of members and other regular attendees who are non-members.	The application will calculate this automatically. If you are manually writing on paper, add members as of 2025 and total adherents.	Alliance churches minister to a larger number of people than those who have become members. Inclusive membership provides one measurement of this larger ministry.
7	Ethnicity - List in dropdown, Approximate Percentage	Select the mix of ethnicities that best describe your inclusive membership (total member + adherent) and indicate the percentage of each choice. If your ethnicity is not listed, select "Other" and indicate the % of the ethnicity. Note: The total of all ethnicities selected and respective percentages must add to 100% If you are manually writing on paper, write the ethnicity and percentages (If there are more than one)	This information helps create awareness of the communities being reached by your church.

Attendance

#	Question (as displayed in the app)	Question Assistant	How This Helps
8	How many people attend your in-person service gatherings every weekend?	Enter the weekly average number of people who attend all in-person weekend main service(s) of your church. Include nursery, children's church, youth, and adults.	Worship is an essential part of discipleship. Morning attendance does not tell the entire story, but it does tell an important part of it.
9	Choose the primary Language/Dialect used in your worship	Please select the primary language or dialect used in the worship service. If you are manually writing on paper, please enter the language(s)	This information helps create awareness of the communities being reached by your church.
10	Do you have online stream for your worship service?	Indicate if you held weekly digital services in the last year. Yes/No	Digital presence is often the front door for church attendance. Keeping track of the numbers in this category helps the church understand the increasing impact of digital presence moving forward.
11	How many people watch your online streaming of the worship?	Online Attendance	This will help us to get an accurate online attendance.

	This option appears only when the church selects "Yes" for previous question	To standardize the way churches, count these numbers, we will ask that the count be taken at the 30-minute point in the service and that the number of views be multiplied by 1.5, thus accounting for multiple viewers on each view in a way that experts on such things believe to be the norm.	
12	# of adults who attend small group ministries like life group, bible study etc	Enter the weekly average number of people who attend small group ministries sponsored by your church. Examples of small group ministries include cell groups, growth groups, or any other group that meets for Bible study, fellowship, encouragement, discipleship, or similar types of ministries. Do not include Sunday School.	Effective small group ministries contribute to discipling. Their growth or decline over a long period is one measurement of effectiveness.
13	# of youth (ages 12-18) who attend youth ministries sponsored by your church	Enter the weekly average number of middle school and high school youth who attend youth ministries sponsored by your church.	Youth ministry represents your investment in the future!
14	# of children (through age 11) who attend children ministries sponsored by your church	Enter the average weekly number of children through the age of 11 who attend children's ministries sponsored by your church.	Effective children ministry contributes to the future growth of the church. Their growth or decline over a long period is one measurement of effectiveness.
15	# of Young Adults (ages 19-30) who attend young adult ministries sponsored by your church	Enter the weekly number of young adults who regularly attend young adult ministry sponsored by your church. Do NOT include small groups targeting your general membership/adherents that may include that age bracket.	Young adults are those you can be developing for future leadership roles in church or overseas.

FINANCIAL

Income

#	Question (as displayed in the app)	Question Assistant	How This Helps
24	Enter the annual income of your church for 2025	<p>Enter the total local church offerings received during the calendar year in whole dollars. Include total amount received for mortgage or rent payments for places of worship. Also, include any designated contributions for use in local church ministry, for example: youth fund, children ministries, pastor appreciation, etc.</p> <p>Note: This year, Alliance Ministries giving is calculated based on donations received at the National Office. Upon completion of the Annual Report, this amount will be displayed on your summary.</p> <p>Do not include any amounts for:</p> <ul style="list-style-type: none"> Building fund Benevolence Great Commission Fund C&MA designated giving sent to the National Office Other C&MA missions giving Non-C&MA missions giving Amount raised for C&MA missions trips Amount raised for non-C&MA missions trips 	Giving is a measurement of both stewardship and commitment to the local church ministry.
25	# of people who are regular givers to your church income	Enter the number of giving units to whom your church sends a year-end charitable giving contribution receipt.	The number of individuals contributing to the support of the church is one measure of their commitment to the local church.
26	# of people who specifically give to the Great Commission Fund (GCF)	Of the group above, Giving Units Supporting Local Income, how many of those Giving Units gave specifically to the GCF.	<p>This is a comparative statistic. The proportion of members giving to the local church is compared to the number giving to support the C&MA mission.</p> <p>That provides some understanding of how effective our efforts to promote the GCF have been. (And, also suggests</p>

			how effective the efforts of the church have been!)
27	How much does your church owe as Mortgage Debt as of 31st December 2025?	If you currently have a mortgage on your church building, enter the approximate balance of the mortgage. Enter 0 if you do not have a mortgage balance.	This helps The Alliance Development Fund (ADF) understand its impact in helping C&MA churches.
